**Profile** McNally Design International have through years of experience provided innovative and high quality Gastro Bar designs throughout the world. The Gastro Pub creates a single destination, combining a restaurant, bar and lounge while providing areas for entertainment in music and sport.

Since 1979, we have completed over 1500 projects in more than 53 countries around the world in various sectors including entertainment, hospitality, food and beverage, museums and heritage, and retail. Our team are design experts who create **concept destination experiences with real value.**

# Shannigan's at Dromoland Co. Clare

## The Brief

Create a stand out, own door, Gastro concept pub to attract customers and add value to the hotel at The Inn at Dromoland; making it a go to destination in Co Clare.

## The Concept

Shannigan's is a prime example of the creative use of space to offer all customers what they want in one venue; exciting the customer and adding value to the hotel.

## The Result

Opened in 2014, Shannigan's has just been voted Best Newcomer in the Irish Restaurant Awards for 2015.

This truly is a concept for all type of customer.

## What Our Client Says

*"The Irish Pub Company architects and interior designers created a very special "own door" Gastro Pub for The Inn at Dromoland in 2014.*

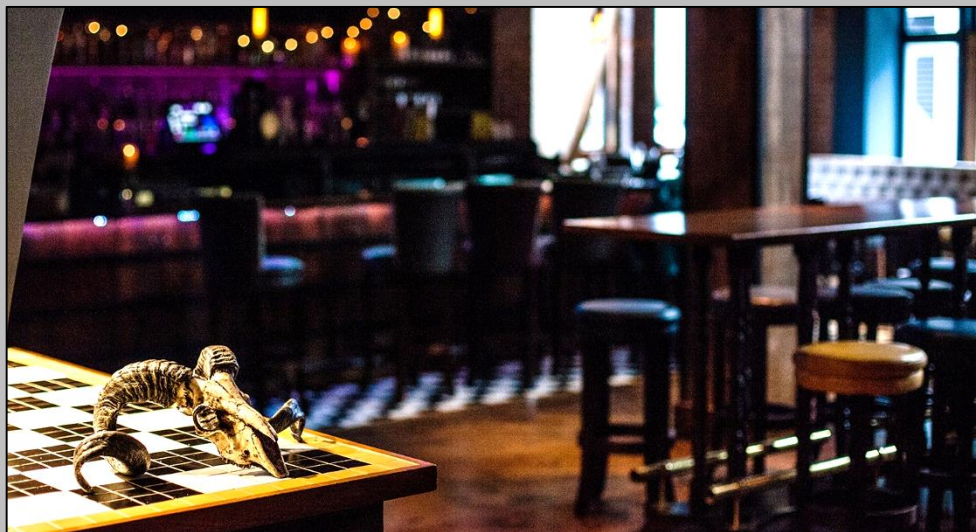

*The team provided excellent advice on design and went beyond the ordinary by creating dynamic intimate areas with stunning interiors that mixes rustic and contemporary design which bring a warm and sophisticated atmosphere to the venue.*

*Shannigan's Gastro Pub has added value to the hotel and the design has turned a curious customer into a "loyal" customer. The team delivered the highest quality service and we would highly recommend."*
